

# It means nothing – Chanson de Stereophonics

Stereophonics / Teenage cancer trust show, Royal Albert Hall (Londres)

## It means nothing

Did we lose ourselves again ?  
Do we take in what's been said ?  
Do we take the time to be  
All the things we said we'd be  
Bury heads in sand  
But my future's in my hands

It means nothing

You can find yourself a God  
Believe in which one you want  
'Cos they love you all the same

They just go by different names  
When we fly our flag today  
Are you proud or just ashamed ?

It means nothing  
If I haven't got you

And the sun sets in the sky  
You're the apple of my eye  
If the bomb goes off again  
In my brain or on the train  
I hope that I'm with you  
'Cos I wouldn't know what to do

It means nothing  
If I haven't got you

## **Somebody That I Used To Know – Chanson de Gotye**

**Now you're just  
somebody  
that I used to know**

## **Somebody That I Used To Know**

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
I told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness  
Like resignation to the end  
Always the end

So when we found that we could not make sense  
Well you said that we would still be friends  
But I'll admit that I was glad that it was over

But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over  
But had me believing it was always something that I'd done  
But I don't wanna live that way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to  
know

But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know

I used to know  
That I used to know

Somebody...
